Woman 99

By: Greer Macallister

When Charlotte Smith's wealthy parents commit her beloved sister Phoebe to the infamous Golden Grove Asylum, Charlotte knows there's more to the story than madness. She commits herself to the insane asylum, surrendering her real identity as a privileged young lady of San Francisco society to become a nameless inmate, Woman 99. The longer she stays, the more she realizes that many of the women of Golden Grove Asylum aren't insane, merely inconvenient—and her search for the truth threatens to dig up secrets that some very powerful people would do anything to keep. Inspired by the investigative journalism of Nellie Bly, and other true accounts of 19th century insane asylums..

Television producer Laurie Moran and her fiancée, Alex Buckley, the former host of her investigative television show, are just days away from their mid-summer wedding, when things take a dark turn. Alex's seven-year-old nephew, Johnny, vanishes from the beach. A search party begins and witnesses recall Johnny playing in the water and collecting shells behind the beach shack, but no one remembers seeing him after the morning. As the sun sets, Johnny's skim board washes up to shore, and everyone realizes that he could be anywhere, even under water. A ticking clock, a sinister stalker, and fresh romance combine in this exhilarating follow up to the bestselling *You Don't Own Me*.
