All Ages Welcome!

Maggie McCabe is a highly skilled and renowned Army combat surgeon and it was all going to plan ... until it wasn't. After a devastating series of tragedies , Maggie has lost her purpose, but not her nerve or her passion. At her lowest point, she is thrown a lifeline by a former colleague, whose anonymous clientele demand the best care money can buy, as well as absolute discretion. Halfway across the globe, in the lap of luxury and cutting-edge technology, one of the world's most mysterious men requires unconventional medical assistance. Desperate, and one of the few surgeons in the world skilled enough to take this job, Maggie enters his realm of unspeakable opulence and fulfills her end of the agreement. But when the patient suddenly disappears while still under her care, Maggie must become a fugitive herself—or she will be the next one who is ... *Gone Before Goodbye*
