**Welcome to North Falls—a small town where
everyone knows everyone. Or so they think.**

Until the night of the fireworks. When two teenage girls
vanish, and the town ignites.

For Officer Emmy Clifton, it's personal. She turned
away when her best friend's daughter needed help—
and now she must bring her home. But as Emmy
combs through the puzzle the girls left behind, she re-
alizes she never really knew them. Nobody did.

Every teenage girl has secrets. But who would kill for
them? And what else is the town hiding?
